SPECIAL NOTICES.

A CARD TO DRUGGISTS AND DEALERS.
A dangerous and polsonous counterfeit of Dr. T. F. Gourand's Offental Cream.

Dr. T. F. Gourand's Offental Cream.

Magical Beautifier,

is attempted to be paimed off on the public. The unprecedented popularity and universal demand for this innocent cosmetic have excited the cupidity of a bold and innament counterfeiter, in finitaling the sabel and 4th bottle of my Grean. In the counterfeit habel the dash dividing the word are offered to the sabel and the bottle of my Grant. There is no dot separating the dollar and cents of the price in the counterfeit. The last word of each line of the "Direction" in the counterfeit are the following:—"10f." "use," "large," "the and "none;" these words in the gautume begin each line of the "Direction." In other respects the counterfeit is well calculated to deceive. Druggists should be on their guard when my Cream is offered at a less price than \$144 per gross, less 10 per could discount. I have never, to a firm or house, sold it for less, nor ever have received an order for more than a gross at a lime, nor have I ever exchanged the cream for other goods, demonstrating that if any one offers my Cream for less it is a counterfeit. It will give \$200 reward for information that will lead to the desection and conviction of the person or persons who sugraved the counterfeit lake and made the moudt and bottles. All orders, to insure the genu inc, should be sent to my only offers.
